17 Accomplishments: Training
18 Accomplishments: Finance, Communications, Logistics, Building & Grounds
19 Participation and Highlights
2018 proved to be a year of tremendous change within the Saint Lucie County Fire District. We were able to receive International Accreditation from the Center for Public Safety Excellence. We joined only 25 fire departments in Florida, and 266 fire departments internationally meet the demanding requirements necessary to do so. We are the only Fire Department between Palm Beach Gardens and Orlando to receive accreditation. Only 11% of the United States population is protected by an accredited agency.

This recognition emphasizes our District's dedication to excellence, establishes a District-wide culture of continuous improvement, and offers validation of our agency's operation. Moving forward, our organizational goals and objectives will be driven by the lessons learned through accreditation and strategic planning.

Also in 2018 we were able to successfully resolve the 2017-2020 firefighters’ labor agreement and set a course for future collaborative bargaining. It is our goal to continue these efforts in meeting our community’s ever-increasing public safety needs. We believe that through open dialogue and shared objectives we will be able to continue to meet those needs effectively and efficiently.

We continued training in the Swift Assist Victim Extrication (SAVE) Program to ensure that all law enforcement officers have been cross-trained to work with us on active shooting mass casualty incidents.

We had a rather active brush fire season, wherein numerous structures were threatened and hundreds of acres burned. Through the efforts of our staff coordinating effectively with the Florida Forest Service, County Environmental Resources Department and all branches of Law Enforcement, we were able to ensure that no homes or significant structures were lost.

On a final thought, I want to reflect back on the many causes and charities we continued to support throughout our Fire District. These include: the Big Heart Brigade, Christmas4kids, Autism Awareness, Cancer Awareness, The Brotherhood Ride, numerous blood drives, The Van Duzer food drive and numerous other Van Duzer community events. Really, there are so many causes that it is a challenge to list them all!

It is through this community engagement that we demonstrate our community leadership. Very often we hear local officials talk about St. Lucie County's community spirit particularly when there is a demonstrated need. I am comfortable in saying that through your collective leadership you continue to demonstrate to our County the results of community engagement and its effects on so many individuals.

Congratulations on a successful year!

FIRE CHIEF

Nate Spera
The St. Lucie County Fire District is an independent special district of the State of Florida and is separate from St. Lucie County, the City of Fort Pierce, and the City of Port St. Lucie. The Fire District is governed by elected and appointed officials who function as the policy-making body and serve as the Fire Board of Commissioners. The Fire Board employs the Fire Chief, Clerk-Treasurer, and the District Attorney to manage the operations, finances, and legal affairs of the District.

The Fire Board is comprised of seven members: two from the St. Lucie County Board of County Commissioners; two from the City Commission of the City of Fort Pierce; two from the City Council of the City of Port St. Lucie; and one member appointed by Florida's Governor.

### 2018 Fire Board of Commissioners

**Representing St. Lucie County**
- Chris Dzadovsky - Chair
- Linda Bartz

**Representing the City of Fort Pierce**
- Rufus Alexander
- Tom Perona - Vice Chair

**Representing the City of Port St. Lucie**
- Gregory J. Oravec
- Shannon Martin

**Governor’s Appointee**
- Mark Gotz

### 2019 Fire Board of Commissioners

**Representing St. Lucie County**
- Chris Dzadovsky
- Linda Bartz

**Representing the City of Fort Pierce**
- Reggie Sessions
- Tom Perona - Chair

**Representing the City of Port St. Lucie**
- Shannon Martin - Vice Chair
- Stephanie Morgan

**Governor’s Appointee**
- Mark Gotz
LEADERSHIP TEAM

KIM SABOL
Attorney

As the Fire Board District Attorney, Kim Sabol advises the Fire Board directly and through the Fire Chief and Clerk/Treasurer. She attends all meetings of the Fire Board, reviews board meeting agenda items and provides follow-up on legal documents approved by the Fire Board. She oversees labor matters and acts as the Fire District’s chief labor negotiator; assists in the development of policy issues; drafts and reviews Fire Board resolutions and agreements; and assists the Fire District’s Office of Internal Affairs when requested. She issues opinions on legal issues related to Fire District governance and management; responds to Fire Board members’ legal questions and handles Sunshine Law matters and ethics issues; reviews all bid documents and RFP’s/RFQ’s, and serves on selection committees.

Hired in 2019

TRACI FOX
Clerk Treasurer

The Clerk-Treasurer is one of three positions within the St. Lucie County Fire District specifically authorized in Ch. 2004-407, Laws of Florida, the enabling legislation for the Fire District. The Clerk-Treasurer is responsible for directing the activities of the Finance, Ambulance Billing, and Records Departments and reports directly to the Board of Commissioners for the St. Lucie County Fire District. Major responsibilities include: Accounting and Auditing, Cash Management & Investments, Budgeting and Records.

CHI CHIOU LIU M.D.
Medical Director

Dr. Liu has provided over 40 years of service as the Medical Director for the St. Lucie County Fire District and serves decision-making policy and procedures for the Emergency Medical Service. He monitors several programs including: the controlled substance and infection control programs, assists in meeting Florida Administrative Code, Bureau of Emergency Medical Services requirements and Federal and State Laws as the chairman of the Medical Review Board. The Medical Review Board is responsible for quality assurance/quality improvement, which is a peer review of the SLCFD emergency medical services.

BRIAN BLIZZARD
Assistant Fire Chief

As the Assistant Fire Chief, Chief Blizzard is second in command of the Fire District and is responsible for all Administrative and staff support services. In addition, Chief Blizzard is responsible for emergency management, inter-governmental relations and grant management.
Marti Newport, Deputy Chief of Administration and Professional Standards supervises personnel; is responsible for staffing, policy and procedure development, professional development and leadership, budget planning and management. This position is responsible for providing executive level oversight of the following: Training and Safety Division, Communications Division, Information and Technology (IT), Field Training Instructor program, international accreditation, and the Fire District’s compliance program.

Derek Foxx. Deputy Chief of Support Services is responsible for overseeing the following departments and divisions: Human Resources, Fleet Management, Fire Prevention, Public Education, ISO national rating, and Building & Grounds. This position also assists the Fire Chief with budget management, leadership, employee programs, future Fire District needs, and mentorship of future leaders of the District.

Mike Merritt
Division Chief of Operations

As Division Chief, Mike Merritt supervises A-Shift personnel, staffing, policy and procedure development in a leadership capacity. Responsibilities include the operational side of the Fire District's Air Rescue program, SWAT Medics, and our Diversity Recruitment Initiative.

Debbie Knupp
Division Chief / Fire Marshal

As Fire Marshal and Division Chief, Debbie Knupp supervises the Community Risk Reduction Division (AKA - Fire Prevention Bureau), In-Service Inspections and Public Education.

Kyle Stirrat
Division Chief of Operations

As Division Chief Kyle Stirrat supervises B-shift personnel, staffing, policy and procedure development and leadership. Responsibilities include Special Operations, Ops committee and SOG committee.

Jeff Lee
Division Chief

As Division Chief, Jeff Lee supervises the Communications Division and the Information Technology Division.

Jen Chambers
Division Chief of Operations

As Division Chief, Jennifer Chambers supervises the fire, EMS, aeromedical, HAZMAT and technical operations for C-shift.

Division Chief of Operations

The Division Chief of Operations, in addition to monthly day-shift rotations, oversees all activities on their respective shift. The Battalion Chiefs and the Field Training Chiefs report to the Division Chief. Each shift has approximately 125 line personnel. The Division Chief is housed at Station 1 in Fort Pierce and covers stations 1, 2, 4, 7, 9, 15 and Air Rescue in northern St. Lucie County. Additionally, the Division Chief responds to all major incidents in the northern area of the county and throughout the jurisdiction as needed.
BATTALION 2 CHIEFS
Housed at Station 17 in Tradition, Battalion 2 is responsible for the operations of stations 10, 14, 16 and 17; as well as the Emergency Operations Center. Battalion Chief 2 responds to all major incidents in the western area of the county, which includes; Tradition Medical Center and the biotech corridor, Emergency Room at Darwin Square, Martin Memorial Medical Center, Brennity assisted living complex, two residential airparks, and two water treatment plants.

CHRIS JONES
A-Shift

RON HAZELLEIF
B-Shift

RYAN JAY
C-Shift

BATTALION 3 CHIEFS
Housed at Station 3, on Ravenswood Lane near Sportsman Park, Battalion 3 is responsible for the operations of stations 3, 5, 12 and 13. Battalion Chief 3 responds to all major incidents in the southeast area of the county, which includes: St. Lucie Medical Center, the City Center Complex, Port St. Lucie City Hall, Port St. Lucie Police Department complex, and the Saint Lucie River with its many tributaries.

MIKE LEISEN
A-Shift

JAMES TREFELNER
B-Shift

WARREN MILLARD
C-Shift

FIELD TRAINING CHIEFS
Housed at Station 6, the Field Training Chief is responsible for the operations of stations 6, 8, and 11. The Field Training Chief is stationed in the center of the county which gives them quick access to all major incidents throughout the District when needed, including: the St. Lucie Nuclear Power Plant and approximately 3000 acres of the Savannahs State Preserve.

MARK CRISTALDI
A-Shift

MARK WILSON
B-Shift

AARON SHAW
C-Shift

WILLIAM FRENCH
Battalion Chief
Battalion Chief William French is responsible for the area covered by the Division Chief during the month the Division Chief of Operations is on Day-shift. He rotates through each shift according to which shift is vacant that month.
RECOGNITIONS

MATT NEILSON
Firefighter of the Year

Matt Neilson is currently in his 20th year with the Fire District. He is part of the Training Division and our 2018 Firefighter of the Year.

BRENDA STOKES
Support Staff of the Year

Brenda is currently in her 6th year with the Fire District. She is the Public Information Officer and our 2018 Support Staff of the Year.

- by Air: 377
FY 2018 – Year End

The following charts reflect the District's Revenue and Expenditures for the 2018 fiscal year. Actual revenues do not include reserve fund balances, cash on hand or transfers in. Actual expenditures do not include transfers out. Due to prior accounting changes, ambulance fees now include a reduction in unallowable amounts charged to Medicaid and Medicare. They are no longer classified as an expenditure, as was the prior practice. These numbers are unaudited and subject to change during the fiscal year audit.

ACCOMPLISHMENTS

OPERATIONS
Reports to Division Chief on Days

- Started the first phase of a three year plan to replace all structural firefighting gear.
- Purchased MSA Self Contained Breathing Apparatus to completely replace existing equipment.
- One integrated thermal image camera attached to the SCBA was purchased for each of the 17 frontline engines/quints.
- Fire “field training instructors” have added the Live Fire Training Instructor certificate to facilitate live fire training for all shift personnel.
- Seven handheld Thermal Imaging Cameras were obtained through a local grant and will replace older existing models.
- Swift Assist Victim Extraction (SAVE) Training was performed with all St Lucie County police agencies.
- Quality Assurance / Quality Improvement (QA/QI) revisions were made to enhance identification of training needs.
- Added an additional frontline ALS transport unit.
- Upgraded seven non-transport engines/quints to ALS units.
- Added adult video laryngoscopy on each ALS transport unit.
- Added adult and pediatric video laryngoscopy on each EMS supervisor unit.
- Added two ballistic vests on all ALS transport units.
- Added three ballistic vests on all ALS non-transport units.
- Educated all EMS personnel on the Federal “Stop the Bleed Campaign.”
- Held a four-hour trauma class for all EMS personnel.

ADMINISTRATION
Reports to Assistant Fire Chief Brian Blizzard

- Received Accreditation status from the Center for Public Safety Excellence - Commission on Fire Accreditation International.
- Coordinated the Public Emergency Medical Transport (PEMT) Supplemental Reimbursement Program.
- Investigated Managed Care / Medicaid supplement reimbursement program.
- Coordinated and managed the Region 5 deployment of two Engine Strike Teams to the Panhandle for Hurricane Michael relief efforts.
- Coordinated the state reimbursement process for Hurricane Michael deployment to the Panhandle.
- Coordinated the purchase of six new Braun rescue trucks.
- Coordinated the acquisition and funding of an Ambu-Bus.
- Completed the acquisition of P25 compliant digital radio equipment with Martin County and FEMA.
- Developed and managed several Federal, State, local and private grants.
- Assisted in the development of a three year agreement with the Medical Director.
- Coordinated a new five year agreement with Air Methods, Inc.
- Managed several agreements with educational institutions for EMT/Paramedic training.
- Continued management of the FEMA reimbursement process from Hurricane Matthew.
- Implemented ALS Engine program for all front line engines.
- Utilized the Capital Improvement Bond for capital purchases.
- Evaluated Lifescan integration to augment our current physical evaluation.
- Managed agreement with the Florida Forest Service.
- Managed agreement with the United States Coast Guard.
- Assisted in the hiring/interview process for 27 new employees.
- Managed several HAZMAT cost recovery claims.
- Participated in successful labor /management negotiations.
Human Resources
Reports to Deputy Chief Derek Foxx

- Completed the in-house recruitment, vetting, and hiring process of 171 applicants, resulting in 18 firefighter positions filled.
- Completed the in-house recruitment, vetting, and hiring process of 194 applicants, resulting in nine non-firefighter positions filled.
- Conducted seven new hire orientations.
- Created three new job descriptions and revised 11.
- Processed 689 personnel actions: 27 hires, 16 terminations, 121 salary changes, 75 supplemental changes and 450 system-wide COLA updates.
- Partnered with IRSC to coordinate TC-PAT dates for Firefighter recruitment readiness.
- Managed 96 new, 56 ongoing, and closed 124 workers’ compensation claims.
- Managed 39 FMLA cases and processed 12 FMLA deferments.
- Guided eight employees through entering the DROP, nine employees through exiting the DROP, and provided pension calculations to approximately 20 employees.
- Conducted open enrollment of 450 employees. Managed the processing of 288 changes to health benefits, AFLAC selections, flexible spending accounts, and long term disability benefits for 121 employees. Additionally, implemented system-wide changes for the employer/employee premium rate changes for the new plan year.
- Partnered with The Resource Centers in the implementation and roll out of the wellness deductible incentive.
- Arranged for the workers compensation attorney to do an educational presentation to the Health Trust Board.
- Coordinated a financial educational workshop.
- Partnered in the coordination of the informational workshops for the transition from Care Now to Care Here.
- Participated in four Company Officer training sessions.
- Coordinated and proctored the Captains Exam with 15 participants tested.
- Partnered with Finance on the end of year data audits.
- Partnered with The Resource Centers and the Health and Welfare Trust to coordinate Medicare Advantage Informational sessions.
- Coordinated two three-day biometric screening sessions of all employees and retirees.
- Conducted research into implementing and revising an after-hours drug testing process.
- Coordinated and facilitated the DOT Urine Drug Testing training and certification of 20 Officers to administer Drug Testing.
- Ensured 20 firefighters were assigned to obtain testing certification.
- Streamlined the Quest testing process for new hires and firefighter physicals by implementing and rolling out the online assignment of Quest testing.
- Managed the transition of the Payroll function from Finance into Human Resources.
- Involved in the following committees: Safety Committee, Sick Bank Committee, Employee Health and Welfare Trust, Captains Exam Challenge Committee, Engineer’s Exam Challenge Committee.
- Attended the following conferences: SHRM Awareness Conference, IAFF Safety and Health Conference, Orlando Fire Conference, FFCA Safety and Health Conference, Florida State Fire College Annual Mental Health Symposium, PGIT (Risk) Education Day.
- Accomplished the timely completion and submission of the ACA required 1095s to the IRS as well as the distribution of those forms to 623 employees and retirees.
- Partnered with Finance to complete W2C data verifications for FY 2016.
- Began researching and opened communications with Life Scan to coordinate the future implementation of the program, per the ratified Articles of Agreement.
- Negotiated discounted rates for prepayment of the statutory required state mandated life insurance.
- Partnered in the development and roll out of the Deferred FMLA Policy.
- Drafted the revisions to the Tuition Reimbursement Policy.
- To better facilitate retirement options, coordinated with the Resource Centers and the Information Technology department to gain access to the pension calculator from a remote computer housed in HR. Additionally, coordinated training for the use of the pension calculator for HR employees.
ACCOMPLISHMENTS

INFORMATION TECHNOLOGY
Reports to Division Chief Jeff Lee
- Started replacing obsolete PCs with new ones.
- Reorganized Laserfiche.
- Upgraded Telestaff.
- Billing upgrades.
- Zoll installs.
- Computer software upgrades.
- Pension Board activities.
- Installed and set up new rescue trucks for service; R4, R5, R16, R15, R7, R17.
- Designed and configured new mount technique for new Surface tablets program.
- Installed and set up new engines for service; E5, E7, E3, E4, E15.
- Installed and configured new Sprint routers to take place of old Mifi’s.
- Installed new cameras on Purchasing building.
- New radios received – pc numbers, assigned, programmed and inventory done.
- Installed new 800 Radios in fleet and stations.
- Radio waves recorded for new channels.
- Smart phones to Chiefs.
- Removed all old IT equipment from “gym” and sent old gear to recycle plant. Cleared Purchasing of old gear as well.
- Installed 4.9ghz radio system on our tower and EOC tower and configured for use.
- Installed new 11ghz radios and rack hardware.
- Installed new Cradle Point devices in rescues and removed MiFi’s.
- Continued work with Innoprise/OneSolution.
- Repaired failed main UPS at Milner and replaced batteries.
- Attended accreditation meeting in Orlando and received accreditation.
- Went live with Zoll PCR and Fire RMS systems.

AMBULANCE BILLING
Reports to the Clerk-Treasurer
- Charges billed out: $21,016,112
- Cash collected: $10,424,737
- Billable transports: 33,499
- Medicare payments: $3,959,259
- Medicaid payments: $167,624
- Commercial insurance payments: $5,296,570
- Private payments: $1,001,284
- Each Billing Clerk enters an average of 6,700 calls per year.

FLEET MAINTENANCE
Reports to Deputy Chief Derek Foxx
- Maintained District fleet of 130 vehicles and apparatus that exceeds 1-million miles per year to NFPA and manufacture standards.
- Rigged and placed five new E-One pumpers into service.
- Rigged and placed six new Braun/GM rescues into service.
- Spec’d new tanker to replace Station 6’s aging unit.
- Retrofitted older apparatus with exhaust after treatment systems to reduce exhaust particulate.
- Organized third party pump testing at Milner to standardize pump testing procedures, improve record keeping and facilitate quicker repairs as needed.
- Spec’d and delivered new, more fuel efficient maintenance van for Building & Grounds.
- Established two new vendors to improve parts pricing competitiveness and increase availability.
- Worked with Division of Forestry to acquire a surplus 2000 GMC Service Truck to replace an aging unit.
COMMUNITY RISK REDUCTION
Reports to Division Chief Debbie Knupp
- Completed 4,560 fire inspections, 53 fire investigations, and 674 site and building plan reviews.
- Site plan review, building plan review, and permitting accumulated $1,116,530.82 of revenue.
- Participated in the county Safety Festival and other functions to promote fire safety.
- Managed the District’s preparation for the upcoming ISO evaluation.
- Facilitated ATF origin and cause training and certification for investigators Cox and Lt. Boyer.
- Managed the Fire District smoke alarm install program.
- Participated in fire station open houses.
- Updated and rebranded fire safety trailer.
- Managed the Fire District’s false alarm fees program through St. Lucie County.
- False alarm fees program accumulated $232,100.26 in revenue.
- Updated Fire Resolution fees and codes to establish new business inspection fee.
- Facilitated the completion of large projects such as Maverick Boat Group, Florida Power & Light Solar Fields, SLC Airport Terminal, Christ Fellowship Church, Tradition Health Park Medical Clinic, Sunrise VW Auto Dealership, and Springs at Tradition community.
- Managed The Compliance Engine web based software that generated over $40,000 in revenue.

FIRE AND SAFETY EDUCATION
Reports to Division Chief Debbie Knupp
- Fire and Life Safety Educator I and II.
- Youth Firesetter Intervention Specialist.
- Youth Firesetter Program Manager.
- National Certification Fire and Life Safety Educator.
- Nationally Registered Emergency Medical Technician.
- School Visits ~ 54 3,046
- Engine Demos ~ 61 2,709
- Safety House Visits ~ 13 847
- Station Tours ~ 53 1,619
- Events/ Festivals ~ 31 136,482
- Open Houses ~ 16 2,580
- St. Lucie County Fair.
- St. Lucie County Safety Festival.
- Seafood Festival/ Boys & Girls Clubs.
- Hurricane Expo/ Port Saint Lucie Civic Center.
- Unity in our Community/ Fort Pierce Police Department.
- Back to School Event/ Saint Lucie County School Board.
- The Fire District has reached 176,952 residents through televised interviews, PSA’s and various social media outlets.
