

"Our Family Serving Yours"

Strategic Planning Begins

The SLCFD is starting its strategic planning meetings. Our strategic planning will provide us a map to take us to where we think we should be. It provides us strategies to help us through challenging times, as well as improve and enhance our operations. The District has grown to be a significant and well respected provider of emergency services. In order to continue to improve our operations, we must have a solid plan that involves all aspects of what we do. Our strategic plan will guide and direct us into the future. As we proceed we will keep you posted.

Thanks – Chief Ron Parrish

SLCFD Launches ICE Program

SLCFD, along with Law Enforcement, will launch an ICE (In Case Of Emergency) public awareness program. The program includes cell phone stickers, vehicle decals, flyers and brochures. The program will be announced at a press conference on Friday, February 13 at the SLCFD Administration Building on Milner.

County Fair begins Friday, February 27
