Know the Law About Yard Trash Fires:

- Call the FL Division of Forestry for items that can be burned and size of pile.
- Fire is to be ignited after 9:00am Eastern time.
- Fire is to be extinguished no later than one hour before sunset.
- NO burning shall be conducted during windy conditions.
- Fire is attended and adequate fire extinguishing equipment is readily available at all times.
- Your fire can not create a nuisance.
- If your fire escapes, you might be liable for suppression costs.
