St. Lucie County Fire District Station #4 Delivers Over 400 Toys

St. Lucie County, FL – The “St. Lucie County Firefighters Christmas 4 Children,” delivered more than 425 toys to less fortunate children this past Christmas morning. The firefighters, their families and people from the community spent countless hours shopping and wrapping each individual toy. Everyone had been preparing for this special day since November.

“I told them the firefighters and Santa would come back this year with toys!” said one child who received a gift.

"This third annual event wouldn't be possible if it wasn't for the dedication and compassion of the St. Lucie County Firefighters, support of our families and the generous donations from the community," stated Battalion Chief Martha J. Newport.
